Houseboat Management Service Packages

Package A:

Each turn-around service will include the following:

- **1 hour systems inspection:** This one page systems check is designed to allow our mechanics to "keep an eye on your boat" and fix minor problems. Early detection of potential problems and recommendations for systems changes can prevent future expensive problems. This inspection does not take the place of periodic maintenance or tune-ups, but **does include** the labor for regular fluid changes with the cost of materials additional.
- **Cleaning:** Your boat will be cleaned using the cleaning list developed by our AAA Three Diamond rated hotel and Admiral class houseboat rental operation. The cleaners and a Quality Inspector sign off each list before boat is released
- **Propane:** Tanks will be checked and filled as needed. The cost of the initial propane is included in the package. The number of tanks included in the package will be limited to those onboard the boat in approved racks at the time the initial inspection is completed. Propane purchased at other locations on the lake during your trip will be at the owner's expense.
- **Pump, Fuel, & Water:** Our pilots will take your boat for pump out and chemicals, fill the fresh water tanks, fuel tanks, and return to your slip or turnaround area. Fuel cost will remain the responsibility of the owner.
- **Check On/Off :** Our crew will do your check on and check off. We will supply a check sheet for your review and will work with you on customizing it specific to your boat. Instruction will be provided to those owners with limited knowledge of houseboat operation. In addition, our staff will review basic safety issues.
- **Piloting Service:** Piloting service in and out of the marina are included. Let our captains pilot your boat in and out of the harbor and dock the boat.

Package A Price:

\$498.00 per turnaround.

Houseboat Management Service Packages

Package B: {package A without check on/ check off}

Each turn-around service will include the following:

- **1 hour systems inspection:** This one page systems check is designed to allow our mechanics to "keep an eye on your boat" and fix minor problems as they occur. Early detection of potential problems and recommendations for systems changes can prevent future expensive problems. CREDIT CARD POLICY

It is my understanding that for the 2004 season, at the time of pre-boarding, each of our owners will be asked by *Bullfrog Houseboat Management* for a valid credit card for pre-authorization. The credit card, given on the owner's confirmation form, will be the only credit card used. The actual pre-authorization will occur the day of the owner's arrival. The deposit amount is based on the cost of the services to be rendered. **THIS IS NOT A CHARGE, ONLY A VERIFICATION OF VALID CREDIT CARD.**

If the owner's credit card is declined, *Bullfrog Houseboat Management* will make two (2) attempts to collect from the owners. If Bullfrog Houseboat Management is unable to collect from the owner, the corporation will be billed for those remaining charges. There may be additional fees or penalties assessed by the boat corporation.

BULLFROG HOUSEBOAT MANAGEMENT CANNOT TAKE CASH OR CHECKS FOR PRE-AUTHORIZATION DEPOSITS.
