2010 HOUSEBOAT MANAGEMENT SERVICE PACKAGES

Boats managed by Executive Services will be given service priority over walk-up service requests.

A Houseboat Management Service Agreement will be signed by the boat manager and an ARAMARK Executive Services representative.

Package prices do not include price of oil or fuel, mechanical labor or cost of parts for any mechanical repairs or maintenance.

Per NPS regulations, ARAMARK Executive Services is unable to manage turnarounds for boats that do not have an ARAMARK Moorage and Dockage Agreement for the rental use of a slip buoy or dry storage space.

2010 REPAIR AUTHORIZATION AND CREDIT CARD/PAYMENT PROCEDURE

It is my understanding that for the 2010 season, each of our owners, before boarding, will provide Executive Services with a valid credit card number and their authorized signature or apply for an open account for payment of their fuel and/or management package price.

If Executive Services' charges to the owner's credit card are declined by the credit card company, Executive Services will make two (2) attempts to collect from the owner. If Exec Services is unable to collect from the owner, the boat corporation will be charged for the amount due. The boat corporation will also be responsible for payment of any charges that its boat owners dispute if Executive Services is unable to collect from the individual owner.

I, _____, as _____ (title) for the vessel _____ located in space # _____ at Bullfrog Marina authorize *Executive Services* to charge our open account number or credit card number for no more than **\$500.00 per incident** for: any needed charges to facilitate on board supplies, care taking services, mechanical repairs or fuel that may be required at any time. I understand that *Executive Services* will not call, write or fax for my authorization for any necessary services totaling less than \$500.00. I also understand that *Executive Services* will provide me with a statement of all such charges at the end of each billing cycle. Payments for all services are due by the end of the monthly cycle.

Method of payment shall be:

Credit Card Account: _____ ex _____ / _____

A/R Account: # _____

Receipt should be mailed to the following member:

Name: _____

Address: _____

City, State, Zip: _____

TERMS AND CONDITIONS

1. The above named OWNER/CORPORATION, and the persons signing this Agreement, individually, and all corporate officers, directors and agents, if OWNER is a corporation, and all partners, whether their names are affixed hereto, hereby contract for the services provided by ARAMARK SPORTS AND ENTERTAINMENT, INC., Executive Services (hereafter "SERVICES"), and agree to be liable for payment of such services, at the prevailing price schedule as specified on the National Park Service approved SERVICES' price list on file in its offices, which may be changed from time to time without notice by SERVICES. A copy of the price list will be provided to CUSTOMER. The person signing this Agreement represents that he/she has authority to bind the other persons named herein.
2. All services shall be paid in full 30 days from date of performance. A late fee, as per SERVICES' Price Schedule, may be charged on any delinquent account.
3. OWNER/CORPORATION recognizes that the acceptance of this agreement by SERVICES is subject to such availability of space as SERVICES may be able to locate from time to time. **No rights to dock, slip or buoy occupancy, overnight docking or turnaround 'boarding/unboarding' docking may be inferred from this agreement.**
4. OWNER/CORPORATION hereby grants to SERVICES, and its employees, the right to move its boat from place to place as SERVICES may determine.
5. SERVICES agrees to perform the indicated services in a reasonable manner and time. In the event that such services have not been performed before the boat is to be used again, SERVICES, unless gross neglect can be shown, shall not be liable to anyone for the failure to perform such services in a timely manner.
6. Any and all repairs to the BOAT shall be performed by SERVICES, or its designated and authorized repair facility, unless otherwise provided for, in writing between OWNER/CORPORATION and SERVICES. Any warranties for parts, accessories, or service shall be that of the warranty provided by the manufacturer of such equipment or person performing such services, and OWNER/CORPORATION agrees to look solely to such warranty and not to SERVICES.
7. OWNER/CORPORATION or SERVICES reserves the right to cancel this agreement at any time and for any reason whatsoever, in writing.

This Agreement is subject to all terms and conditions set forth on this agreement.

Houseboat Management Service Packages

Package A:

Each turn-around service will include the following:

- **1 hour systems inspection:** This one page systems check is designed to allow our mechanics to "keep an eye on your boat" and fix minor problems. Early detection of potential problems and recommendations for systems changes can prevent future expensive problems. This inspection does not take the place of periodic maintenance or tune-ups, but **does include** the labor for regular fluid changes with the cost of materials additional.
- **Cleaning:** This is a basic wipe down service focusing on items that are difficult to accomplish on the lake. Cleaning will include Wipe down of interior counters and tables, Wipe down Interior/Exterior, Vacuum floors, Trash removal, Wash down of Exterior decks and stairs, Wipe down of exterior tables and appliances.
- **Propane:** Tanks will be checked and filled as needed. The cost of the initial propane is included in the package. The number of tanks included in the package will be limited to those onboard the boat in approved racks at the time the initial inspection is completed. Propane purchased at other locations on the lake during your trip will be at the owner's expense.
- **Pump, Fuel, & Water:** Our pilots will take your boat for pump out and chemicals, fill the fresh water tanks, fuel tanks, and return to your slip or turnaround area. Fuel cost will remain the responsibility of the owner.
- **Check On/Off :** Our crew will do your check on and check off. We will supply a check sheet for your review and will work with you on customizing it specific to your boat. Instruction will be provided to those owners with limited knowledge of houseboat operation. In addition, our staff will review basic safety issues.
- **Piloting Service:** Piloting service in and out of the marina are included. Let our captains pilot your boat in and out of the harbor and dock the boat.

Package B: {package A without check on/ check off}

Each turn-around service will include the following:

- **1 hour systems inspection:** This one page systems check is designed to allow our mechanics to "keep an eye on your boat" and fix minor problems as they occur. Early detection of potential problems and recommendations for systems changes can prevent future expensive problems. This inspection does not take the place of periodic maintenance or tune-ups, but **does include** the labor for regular fluid changes with the cost of materials additional.
- **Cleaning:** This is a basic wipe down service focusing on items that are difficult to accomplish on the lake. Cleaning will include Wipe down of interior counters and tables, Widows Interior/Exterior, Vacuum floors, Trash removal, Wash down of Exterior decks and stairs, Wipe down of exterior tables and appliances
- **Propane:** Tanks will be checked and filled as needed. The cost of the initial propane is included in the package. The number of tanks included in the package will be limited to those onboard the boat in approved racks at the time the initial inspection is completed. Propane purchased at other locations on the lake during your trip will be at the owner's expense.
- **Pump, Fuel, & Water:** Our pilots will take your boat for pump out and chemicals, fill the fresh water tanks, fuel tanks, and return to your slip or turnaround area. Fuel cost will remain the responsibility of the owner.
- **Piloting Service:** Piloting service in and out of the marina are included. Let our captains pilot your boat in and out of the harbor and dock the boat.

Package C: {package A without cleaning}

Each turn-around service will include the following:

- **1 hour systems inspection:** This one page systems check is designed to allow our mechanics to "keep an eye on your boat" and fix minor problems as they occur.
