

Welcome to Wahweap Dry Storage!

Wahweap Dry Storage and Transportation Departments merged together in 2008. All drivers are DOT certified. We are here to serve you 7 days a week.

Office Hours:	8am-4pm	October – Mid April
	8am-5pm	Mid-April – May
	8am-6pm	June - September
	Closed Holidays	Thanksgiving, ½ day Christmas Eve, and Christmas

Agreement Requirements: Dry Storage Customers are required to have a signed agreement and check in form on file. We also require a copy of the boat and trailer registrations. All boats and trailers must be properly tagged and mechanically/structurally sound. The customer is responsible for providing a list of authorized users or signers. The owner of the boat will be responsible for any unpaid charges from authorized users. The boat will not be released from Dry Storage if the account is delinquent. We reserve the right to deny services or storage.

Deposits: A refundable deposit equal to one month rent is required.

Billing Info: As part of our Greening policy, we encourage the use of our Auto Pay system, via a credit card or bank draft. Billing statements are mailed on the 15th of each month. These forms and additional information can be located on our website at <http://www.lakepowellmarinas.com/>. For billing info, please contact Janet Schebesta at 928-645-1019, M-F, 8am-4pm. Fees will apply for late payments and/or insufficient funds. Note: **The 12th month is free, when you pay for 11 months + the deposit in advance.**

Closing the account: To close account and release space, customer must submit a signed close out form to the Dry Storage office (fax acceptable). NOTE: **Account will continue to accrue charges, whether the boat is in the space or not, until form is provided.** Deposit will be refunded providing there are no outstanding charges posted to the account. Refund process takes 4-5 weeks to process and will be returned to you via check or Credit Card refund.

National Park Service (NPS) user fees: Vessels entering Glen Canyon National Recreation Area (GCNRA) will be assessed an annual NPS recreational use fee. Fee for your Dry Storage vessel will be processed via your Dry Storage Statement. You will not receive a sticker. For proof of payment, retain a copy of statement reflecting payment. In addition to the annual recreational use fee for vessels, a NPS entrance fee is required when entering the recreation area Boat Owner or guest is responsible for payment each time you go through the gate or annual passes are available for purchase.

Zebra Mussels: In order to keep beautiful Lake Powell mussel free, every boat entering GCNRA is required to be inspected. NPS inspection staff will be located at each opened ramp. Decontamination station is located behind the Wahweap Sinclair gas station. If you provide your own boat launching, your boat will require inspection and certification each time it is launched. Post inspection form in the window of your launching vehicle. Note: The form is only good for 14 days. Failure to display proper documentation may result in fines from NPS.

Dry Storage Customer privileges and discounts: You are entitled to use the Wahweap Resort facilities such as the Pool, Jacuzzi, and Exercise Room. Discounts available for Driftwood Lounge and Lake Powell Resorts, based on availability.

Buying or Selling of boats: Strict guidelines have been established for buying and selling vessels inside GCNRA. For information, call Diana or Trent at 928-645-1039 or 1014. For information on retired Boat Rental fleet, contact Kevin Flynn at 928-645-1088.

Used Batteries and other Recyclables: Please help keep Lake Powell spectacular. Wahweap Boat Shop is equipped to take used batteries and oil. Recycle containers for glass, plastic, aluminum cans, and cardboard are located near each launch ramp and various locations at each Marina. Used small non-rechargeable batteries, like AA, can be taken for recycle by any of our retail outlets. Please see one of our sales clerks for assistance.

Trash Disposal: Dumpsters are located at each ramp and at the staging area for our Dry Storage guests to use.

Shuttle: During the peak summer season, the Resort & Page Shuttle System is available. Check with any of our staff for schedule.

Phone: 928-645-1009

Fax: 928-645-2313

Procedures

- **Boat Set outs:** 24-hour advance notice required for *all boat set outs and services*. All service requests will be processed in the order received. Prompt service without advance notice will not be guaranteed.
- **Security:** Wahweap Dry Storage Customers are issued a Pin Number. This pin number will allow you access to your boat. Please have this number available when you call. Only those individuals with the proper Pin # will be granted access. Please make sure that all of your authorized signers have this information.
- **Return time:** For safety and for staff preparation, please advise staff your return date and time. If your plans for return change, notify immediately. In the event of an emergency please leave a cell phone number if available.
- **Ready Boats/Close Boats:** Boat ready or close is the responsibility of the boat owner.
- **Boat Repairs:** Owner is responsible for making arrangements with Boat Repair Shop, at (928) 645-1071, or other NPS approved vendors for repairs.
- **Guests are not permitted to move any trailer or boat to/from the main yard:** In order to maintain a safe and secure environment, only ARAMARK DOT drivers will be permitted to move boats to/from the main yard.
- **Guests are not permitted into the main yard:** For brief access to your boat, contact office for an escort or gate opener. Longer access, 24-hour advanced notice required to move boat to the staging area. To grant temporary access to your boat for NPS approved vendor or someone not on your authorized list, fax the authorization to Dry Storage office at (928) 645-2313.
- **Boat Trailers:** NPS guidelines prevent storage of items other than vessels and vessel trailers. Dock boxes or other structures are prohibited. All boats must be stored on a permanent trailer. Houseboats can be stored on blocks. Additional charges of \$99.00 per hour/per person for any blocking will apply. Blocks may not always be available.
- **Keys to trailer locks, access hatches and/or boats are not kept on premises.** The owner is responsible for all keys.
- **Staging area:** Space is limited. No guarantee to power or water, especially during the summer holidays. Requests for staging area will be based on 1st come, 1st served. This area is available for guests to load/unload equipment and for minor boat repairs. Major maintenance such as painting, power wash and oil changes, must be done in a properly contained work space. For major repairs, call the Boat Repair Shop at 928-645-1030. Customers will have 24-hour access to the staging area. Vehicle parking is available outside of the staging area.
- **Bathrooms:** No restrooms availability at staging area. 24-hour access to restrooms, laundry facilities and showers at Lake Powell RV Park and Campground Store.
- **Courtesy Phone:** Located next to the 'main' gate at the staging area.
- **Passengers are not permitted in the boat during transport to/from the ramp per Utah State Law.** Please check with the driver for additional information.
- **Fueling your boat:** Available at the Sinclair Station, located near the top of the Wahweap (Main) Ramp. The boat owner or guest must be present during the fueling process. Fuel charges are not permitted to be billed to the Dry Storage account. Time taken for fueling will be billed as Launch and Recover time.
- **Launch and Recovery:** Available at Wahweap (Main) Launch Ramp or Stateline Ramp. Launch and Recover will be charged out as an hourly rate. Rates vary based on boat length, type and condition of trailer. There is a ½ hour minimum for any boat moving. Billing time starts when the driver hooks up the trailer and completes when driver un-hooks the trailer. We have the right to refuse services based on equipment requirements, trailer conditions, etc.
- **Contacting us while on the lake:** Radio and cell phone service is not always available in some areas at Lake Powell ramps. If there is no response via the VHF radio, please call us via the phone at (928) 645-1009. For quicker recovery service, please contact us when you are coming through the Castle Rock Cut or near the Glen Canyon Dam.
- **Boat Septic Pump out or port-a-potty dump:** Pump out stations located near each ramp.
- **Propane Refill:** Propane available during peak season at Stateline fuel dock or Wahweap Sinclair Station starting spring of 2010. We no longer offer propane at the Dry Storage office.
- **Returning the boat to the staging area:** Notify office when your boat is unloaded, to allow prompt return to the main storage area.
- **Winter Storage/Maintenance:** Winterizing is the responsibility of the boat owner. There will be a ½ hour minimum charge, each direction, for boat transport to Wahweap Boat Repair Shop.
- **Dry Storage Availability:** Space in our New Dry Storage Yard is very limited and popular. Spaces will not be held for return or new customers. Closing out your space for off-season may result in unavailability in the spring or summer.
- **Long-term Slip Rentals:** Please contact Janet Schebesta at (928) 645-1019.
